Dear Reverend Craun -

Thank you so much for spreading hope to hundreds of low-income seniors through your contribution to Northwest Pilot Project of \$300.00 received on April 1, 2021. We are so very grateful for your donation and ongoing support.

During this extremely unprecedented year, NWPP has continued its core work of housing seniors, including moving homeless seniors into housing quickly, and preventing seniors' eviction from stable housing. We have also been able to assist working seniors with COVID-related eviction prevention. We continue providing regular check-ins and ensuring our most vulnerable clients secure their basic needs. **We've been able to continue assisting low-income seniors in our community because of your generous support.**

NWPP plans to continue our work despite the COVID-19 virus, which is likely to be with us for some time. We'll continue to closely monitor local and federal policies to provide the most current information and benefits critical to our clients, advocate for programs that focus on permanently affordable housing, and provide a life of dignity and hope to those we serve.

Thank you again for your support and partnership in providing the dignity of housing to vulnerable seniors.

With deep appreciation,

Laura Golino de Lovato
Executive Director

Dear St Michael and All Angels Episcopal Church,

Thank you for investing in our shared community! We were so pleased to receive your most generous gift of \$300 on April 8, 2021.

Now is such an important time to come together.

As always, we will put your gift right to work! We are running all our programs during COVID, some with social distancing modifications, others with full pivots to meet community needs. Here are some of the positive impacts your gift makes possible:

- ✓ **We are adding 227 affordable apartments** to our portfolio over the next two years. This will help ease the local housing crisis and expand housing options for folks with very low incomes and experience with homelessness.
- ✓ **Our three emergency shelters are open 24/7** for 220 people every night, staffed by our heroic "frontline" team, who continue to help people move into stable housing.
- ✓ **Our out-of-school program** is supporting students and their families through virtual learning, with a special focus on digital inclusion and engaging "drop-off" activity boxes.

Enjoying out-of-school programming (pre-COVID) at one of our 16 affordable housing communities.

Thank you for supporting Human Solutions and the community we call home. Together we're building a more just future with housing, economic and racial justice for *all*.

Warmly,

Andy Miller, Executive Director

Dear St. Michael & All Angels Episcopal Church,

Thank you so much for your donations of \$300 to Portland Homeless Family Solutions. Your donation supports PHFS' critical programs that empower homeless families with children to get back into housing – and stay there.

We have continued to operate all of our programs throughout the pandemic, including homeless prevention, rapid re-housing, and our Family Village shelter.

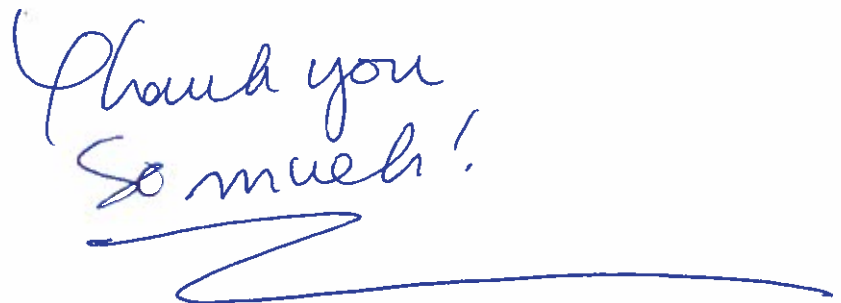

Our staff builds trusting relationships with families so we can support them in accomplishing their goals and improving their lives – like getting a new job that makes more money, or going back to school to learn a trade that pays a living wage.

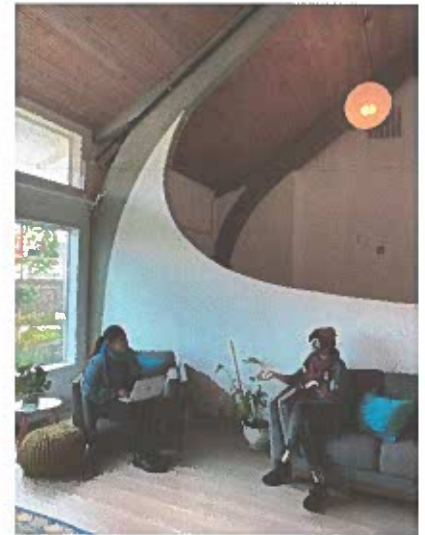

What we do works. Last year we served 355 families made up of 1,234 kids and parents. Your donation means that we can help even more families this year. Thank you for investing in our services that build dignity, restore power, and promote autonomy.

We know our community is strong and resilient. You demonstrate this through your generosity and giving spirit during these challenging days. We look forward to keeping you updated on our impact in the community. If you ever have questions or feedback, please don't hesitate to call me at 503-719-2769 or email at brandi@pdxhfs.org.

Warmly,

Brandi Tuck
Executive Director
