WILSHIRE PARK

Church in the Park/St. Michaels Church Picnic will be held at Wilshire Park on August 27. Church will begin at 11:00 AM. The park is bounded by NE 33rd Ave, NE 37th Ave, NE Skidmore St, and NE Shaver St. We have reserved Picnic Areas A and B, circled on the map to the right. There is parking along Skidmore, Shaver, and NE 37th. Short, unpaved extensions (no parking allowed) of 34th Ave, 35th Ave, 35th PL Ave, 35th Ave, and 36th Ave provide access to the park through unlocked gates. While the stub street access from the west provides the closest access to Picnic Areas A & B, they may not be the best choice if you are using a mobility assistance device. A paved path extends across the park from east to west from 35th Place and Skidmore to the 35th Place stub street leading to Shaver St. There is a curb cut at Skidmore

and 35th Place. Restrooms are located at the pavilion to the south and east of areas A & B. Another church group has reserved the pavilion but the restrooms are available to all park users. The terrain at Wilshire Park is flat and Picnic Areas A & B are well shaded. There are nine picnic tables in the area we have reserved. If you want more comfortable seating, or seating with back support you should plan on bringing a chair.

The photo to the left shows typical access to the park from the stub streets. There is no street pavement or paved sidewalks or paths along the stub streets.
